

Within Farm's Reach Estate Trust & Educational Association: Vision Deck

A presentation-style summary for supporters, funders, and members.

Slide 1: Title

Within Farm's Reach Educational Estate Trust
A Sanctuary for Learning, Stewardship, and Regeneration

Slide 2: Core Pillars

- Ecology: Living systems and natural capital
- Education: Intergenerational knowledge transfer
- Enterprise: Agro-botanical production with purpose
- Ethics: Trust, not ownership — stewardship over extraction

Slide 3: What Lives on the Land

- 170-year-old house, geothermal + heat recovery systems
- Two streams, 3 acres of ferns, heritage apples, walnut trees
- Propagation capacity: 2,000+ hydrangeas, 300 apple trees/year
- Botanical packaging, wine, medicinal tinctures

Slide 4: A Living Trust, Not a Business

- No private ownership
- Trust holds all assets in perpetuity
- All profits reinvested into ecology and education

Slide 5: Organizational Overview

- Founding Trustee: Legacy and vision holder
- Council of Stewards: Governance body
- Operational Leads: Nursery, education, finance, stewardship
- Membership Program: 300+ expected annual sponsors

Slide 6: Funding & Sustainability

- Projected gross revenue: \$100K–250K/year
- Membership: \$30K–50K/year in direct support
- Low tax model, high reinvestment rate
- Capitalized trust value: \$1.85M–3.1M

Slide 7: Join the Within Farm's Reach Estate Trust & Educational Association

- Become a founding sponsor
- Join as a member or seasonal steward
- Host events, education, or artistic retreats
- Visit the land — walk the orchard, feel the earth
- Help us make common ground sacred again.
